

Newsletter Update

 Landlords, please forward to your tenants or supply us with their email.
3rd quarter dues are due July 1st.

Pool Updates

As of July 1st, the pool will re-open the bathroom and supply seating once again. If any signs of an outbreak occurs, this may be subject to change.

As a reminder, you need to have your pool pass on your person to enter the pool. Children under 10 require a parent or grandparent with a pass and must pass a swim test to enter the deep end. Swim lessons are available upon request- email us for more info.

Pool pass replacements before expiration will now cost \$5.

Fun Food Festival

Hampden Township is holding a Fun Food Festival at 4:00pm at Hampden Park. There will be food trucks and fireworks will start at 9:00pm. In case of inclement weather, the festival will be moved to that Sunday.

Trash Talk

We have had a few issues with trash collection, which inconveniences our landscapers. As a reminder, **garbage bins should be put out between Sunday at 6pm and Monday at 6am. Trash cans need to be removed by Monday afternoon** for the landscapers and the mail carrier. Garbage may not be dumped mid-week. Anything bulk may be set out after arranging bulk pickup with Waste Management at 1-800-869-5566. Electronics can be recycled at 1001 Clairemont Road, Carlisle PA.

These are not suggestions, they are requirements.

Safety Reminders

The speed limit in our community is 20mph. It is especially important to be mindful of your speed now that the pool is opening and children are running around.

Please park as close to the curb as possible. EMS vehicles have a hard time navigating our roads to get to an emergency.

Odds & Ends

Anyone who plans on performing exterior updates and repairs must submit an architectural form. If you require a form, please email us.

Please pick up your dog waste, especially on public property. It is discourteous to your neighbors and landscapers.

SALEM PARK HOMEOWNERS ASSOCIATION
IF YOU ARE INTERESTED IN A SPHOA COUNCIL POSITION AS BUILDING & GROUNDS DIRECTOR, PLEASE REPLY TO THIS EMAIL.
