## Pool Closing

This is the last weekend the pool is open for the season! Hours are 11:30am - 7:00pm. There is a table for **Lost & Found** just inside the gate. Check it to see if you have anything there. On Monday night, whatever is still there will be donated or tossed. Please thank our lifeguards for a great season and their work keeping our pool safe!

## Trash Talk

Due to the Labor Day holiday, please remember that trash is being picked up on Tuesday instead of our usual Monday. This means trash needs to go out Monday, no earlier than 6pm per Hampden Township rules.

We have had a few issues with trash collection, which inconveniences our landscapers. As a reminder, **garbage bins should be put out between Sunday at 6pm and Monday at 6am. Trash cans need to be removed by Monday afternoon** for the landscapers and the mail carrier. Garbage may not be dumped mid-week. Anything bulk may be set out after arranging bulk pickup with Waste Management at 1-800-869-5566. Electronics can be recycled at 1001 Clairemont Road, Carlisle PA. There should be no trash dumping at the townhome trash pads unless it is a scheduled pickup or trash day. No electronics should be there.

These are not suggestions, they are requirements.

## Halloween 2021

Trick-or-treat will be held on Sunday the 31st of October from 6-8pm.

## Courtesy Reminders

The speed limit in our community is 20mph. It is especially important to be mindful of your speed now that children are walking to and from bus stops.

Please park as close to the curb as possible. EMS vehicles have a hard time navigating our roads to get to an emergency.

**Dogs are NOT to be walked on private property. Dogs should be leashed at all times and their waste needs to be picked up immediately. We need to start showing our neighbors some respect.**

## Odds & Ends

Anyone who plans on performing exterior updates and repairs must submit an architectural form. If you require a form, please email us.

If you are interested in being a part of the SPHOA board, we have positions available for building & grounds, social committee, and by-law committee. Email us for more info.
